Reference: United Utility Companies, Inc  
Docket 2006-107-WS  
Rate increase request for sewer service from \$48.24 per month to \$65.72.

Please do not approve of this rate increase for United Utility.

The Highland Forest customers are paying a much higher rate to United Utility for sewer service than other residents in Greenwood are paying to other sewer service providers. This is not fair to the sewer customers who live in Highland Forest.
